

Run #14

Woofter & Turtles paddle through the mud hole

Dear Mum

I was very excited today because all these nice men like Mr Wee Willy and Mr Slopsy told me all about this thing called hash. I have heard of it mum and I thought I could smoke it but mummy, these innocent looking boys convinced me it was running and I had to be there cos' it was fun. I turned up very scared to this run and there were millionsssssss of people there, big and a lot of little boys even had a Mr Porky, mum and he was horrible cos he kept touching me going baa baa little boy. 40 of these people started running through the village mum and I was scared for them cos it was horrible mum people running and walking everywhere. Mum, I even saw Mr G4's old girlfriend she kept going oink oink, must've had something up her nose mum. We ran in a cloud of dust up this hill and this nice little old lady by the name of All Night Long helped me, mum but she was walking and I was running veeery veeery fast mummy, it was so exciting that I nearly wet my little willy. We found this lake and all these people were running veeery fast trying to catch up to me. We ran and we ran and we ran and we ran till I couldn't run anymore mummy I was so tired. And guess what mummy there was this 'nother big hill. Mr Koala said horrible words mummy like 'poofter and poo poo and things like that it was so awful mummy I nearly wet my little willy again. I got to the top of the hill mummy, I had to as Mr Hubcap was behind me and I was scared all the time. But mummy, you know what I was really excited when we got home cos I made some new friends like Bouncy and Mr Boo Boo and Ilean and Mr FOD. Mummy I miss you but I'm going to have fun with these nice people and I like running with them.
