## RUN NO. 69 REPORT – SARAH LEE & BROWNEYE'S BUSH AND BEACH SAFARI

"Dili, this is HASH Flight six niner"

"Six niner Dili"

"Dili HASH six niner clearance to cross Dili centre line"

"Six niner Dili, confirm height and position"

"Six niner is at zero height and 20metres from the VOR"

And so flight HASH Airways 69 flashed round the periphery of Dili airport – but by the looks of most passengers they were only at half throttle and the Dunlops were certainly dangling.

The run from a new hash site on the banks of the mouth of the Comoro attracted 54 erstwhile old and new members. The ON ON site, conveniently treed on 3 sides, also offered a grassy berm for the kneelers when having their DOWN DOWN'S. So with these factors the run obviously rated 5 stars in the Michelin guide to East Timor. However the GM only has one rating –

<u>What Others Think</u>	<u>GM's Interpretation</u>
Excellent Run	Shit Run
Very Good Run	Shit Run
Good Run	Shit Run
Fair Run	Shit Run
Hash Shit	Shit Run
Shit of a Run	Shit Run

After a dash along the east bank of the biggest gravel pit in East Timor the pack crossed the waterless bed to eventually meet at the north eastern corner of the airfield. The runners then traversed the northern perimeter of Comoro airport before following the tree-line along the beach to the second HC in a grassy clearing where the gathering was interrupted by Constable Plod trying to drive a TATA over rough ground to the beach.

The final leg saw the walkers re-cross the river while the runners did a circuit of the small tidal lagoon at the very mouth of the river.

**BUSHWHACKER** (or is it now **BUSHWANKER**) observed that while **EJACULATION** honked continuously throughout the run – he was so exhausted at the end that he (**EJACULATION**) never said a word during the whole of the Circle. So it must have been a GOOD RUN.

Hares : **SARAH LEE** (his leaving run – good hashing with Townsville H3) and **BROWNEYE**.

## FAREWELL FROM SARAH LEE

G'day fellow hashers of DH3,

Just a quick note to say thank you for your friendship over the last 3-4 months. I started off at Hash thinking I would probably go once but not again, however given work commitments and leave, I managed to chalk up 11 runs, plus being the hare with Browneye for my last run last week.

I intend to get involved with Hash in Townsville next year as I am posted there for the next two years from January.

These have been some of my more memorable hash times:

- \* My first hash run which was at the monkey bar,
- \* Dribbler's pre-hash BBQ,
- \* Sitting next to Randy on the UN Herc and then going thru Customs in Australia, the whole time Randy was carrying a condom vending machine.....!!
- \* Wee-Willie and Sexon's hash marriage,
- \* The general ramblings of Pretender and Dribbler, and
- \* The pearls of wisdom from the Jedi Master of Hash ... Browneye !!

In all seriousness thanks for a great time. I don't leave until 30 August so you may see me at ASNCE one movie night. If not, if you're passing through Townsville in the next two years, drop us a line or give me a call.

Beers and Cheers

On-On !!

# CIRCLE CIRCUS

CD of photos from Hash Runs 56 to 69 available from Haidrolik.

A new and interesting location, where the Mota Comoro meets the sea, was the venue for yet another record gathering of Dili H3.

Fifty four innocents (some not so innocent) formed a Circle to witness the distribution, with meticulous fairness and impartiality, of punishments and awards by our revered **GM**. Though elsewhere in the Trash **BROWNEYE** disputes the **GM**'s objectivity in one particular area. In this regard, perhaps the Hare(s) should be rewarded with a volume of precious amber fluid commensurate with the participants' opinion of the run.

Three Newbies were welcomed and four Returnees were welcomed back.

Highlight of the day was the achievement by **SCRUBBER** in becoming the first Dili Hasher to reach 50 runs. He marked the event with a celebratory down down of Rum and Coke. Significantly he is also one of the three remaining runners who participated in the Club's first run.

Also noteworthy were the noisy return of **RA**, **DRIBBLER**, and the unusually quiet behaviour of **EJACULATION**. Both managed to distinguish themselves in the Circle once again. This time it was their preference for a plastic bucket for their down downs instead of the conventional mug. Obviously **DRIBBLER**'s drying out period in Tassie didn't work.

Another sad farewell reminded us of the transitory nature of our membership as **SARAH LEE** had his last down down with us. See you in Townsville. (See his farewell message over.)

Finally our youngest member showed that youth is no barrier to achieving POTW status. She also did justice to the down down in veteran style.

After the official proceedings had been completed and in the gathering dusk, **BROWNEYE** ambushed the departing beer wagon and waylaid the remaining cargo to fuel his own personal Circle with the few stalwarts still remaining.

Space (and memory) does not permit a full account of his spontaneous awards.

*A train hits a bus load of nuns and they all perish. They are all in heaven trying to enter the pearly gates past St. Peter.*

*He asks the first nun, Sister Karen, "Have you ever had any contact with a penis?"*

*The nun giggles and shyly replies, "Well once I touched the head of one with the tip of my finger."*

*St. Peter says, "OK dip the tip of your finger in the holy water and pass through the gate."*

*St. Peter asks the next nun the same question, "Sister Elizabeth have you ever had any contact with a penis?"*

*The nun is a little reluctant to reply but she says "Well once I fondled and stroked one."*

*St. Peter says, "Okay dip your whole hand in the holy water and pass through the gate."*

*All of a sudden there is a lot of commotion in the line of nuns, one nun is pushing her way to the front of the line.*

*When she reaches the front of the line, St. Peter says, "Sister, what seems to be the rush?"*

*The nun replies, "If I'm going to have to gargle that water, I want to do it before Sister Mary sticks her arse in it!"*

*70-year-old George went for his annual physical. All of his tests came back with normal results. Dr. Smith said, "George, everything looks great physically. How are you doing mentally and emotionally? Are you at peace with yourself, and do you have a good relationship with your God?"*

*George replied, "God and me are tight. He knows I have poor eyesight, so he's fixed it so that when I get up in the middle of the night to go to the bathroom (poof!) the light goes on when I pee, and then (poof!) the light goes off when I'm done."*

*"Wow," commented Dr. Smith, "that's incredible!"*

*A little later in the day Dr. Smith called George's wife. "Thelma," he said, "George is just fine. Physically he's great. But I had to call because I'm in awe of his relationship with God. Is it true that he gets up during the night and (poof!) the light goes on in the bathroom, and then (poof!) the light goes off?"*

*Thelma exclaimed, "That old fool! He's peeing in the refrigerator again!"*
