RUN NO. 75 REPORT – BIG HORN, POGO & COCKPIT'S HONEST JOHN'S RUN

Delivered as promised, a flat run for DH3. A first for quite a while, what with Hares trying to outdo each other with the steepness of the hills they can find it was a pleasant change for most to run on the flat.

Good to his word Bladder Blower arrived early to accompany the walkers on his first run. His attendance has been reported as inventive recruitment by **BIGHORN** who promised him a bottle of scotch if he turned up. He must be well tuned as at 3.30 pm he awoke from the previous night's activities to be at the run. **BIGHORN** is now denying the story and will not pay up on his promise.

A well laid trail clearly visible to the blind awaited the runners with black spots interspersed with oil patches, animal droppings and militia graffiti. **PRETENDER** & **HAIROLIK** became immediately confused with so many signs to follow and were the first up a false trail followed by a great number, it turned out they were inventing trails again to cover their blindness. Rumour around the military establishments of the PKF has it that both **PRETENDER** and **HAIROLIK** have been seconded onto the PKF and will be assigned to Sector Central to join **PORBATT** as **FRUITBATT** and **BLINDBATT**.

COCKPIT reported from the run that he believes that there were a number of impersonators on the walk who complained bitterly about the pace of the walkers, perhaps the **ASPIRATIONS** of **PERSPIRATION** could result in her renaming as she joins the runners in future weeks. **ON SWEAT**.

The first Hold Check was only 15 minutes into the event Bladder Blower accompanied the walkers into the HC and it was noticed by more than a few present that **SIXTY NINE** kept a more than respectable distance from the Highland Hash Horn displaying a significant aversion to the Blowing of Horns despite the

best attempts of the Digital Twiddler's to coerce her into a tune.

ON ON called, the runners took a slight detour so as not to cross trail. The detour lead toward a hill and despondent uttering were heard as **POGO** led all toward the new trail. Once the trail had been found **DRIBBLER** and **HAIROLIK** took the lead both heavily hallucinating by this stage, the fact that a hill was to their left and the incessant indoctrination over the last five weeks took the runners **ON UP** no trail, no sign just **ON UP**. Luckily **WEE WILLIE** and **SEXON** saw the blatant sign ahead and continued on the **FLAT RUN**. This caused **POGO** and **BIGHORN** much consternation having promised all a flat run.

Into the canal and up past he dam appeared uneventful aside from **SALSA** following yet another unmarked trail. "Follow the blatant sign guys". **HAIROLIK**, who was spending a fair amount of time out front so expect to see his name in the circle as an **FRB**, led the runners down into Bairo Pite but not before **PHARTA** had lead the runners astray, gullibly followed by a number of technicians just in case he broke down, following a trail which must have been a first for him. 'Twas disappointing that no runners actually followed the trail up the military obstacle (abseiling tower), **POGO** went to great lengths in laying that falsie.

A small detour across the road saw **LESBEAU** managing to run past two five feet arrows indicating the direction to run. This was followed by all in the next group running past another arrow at least three feet high on a fence, there obviously needs to be some training to runners on Hash Sign.

No flat run in Dili would be complete of course without a visit into the famous drains. **BIGHORN** pseudonym "DANCES WITH PIGS" was not happy with this detour as it put him in

hams way again. It must be the perfume he is wearing.

On home saw the run heading through a beautiful Kampong through some hash wire and washing into the stalls of the local piggery and cattle yards. On arrival at Obrigado a short 20 minute wait for the walkers before the circle started. Luckily another run was complete without **RAMROD** losing his toupee. **PRETENDER** commented at the circle that he was most perturbed that a number of **HASHERS** were trying to steal his name by turning up to the circle having not run or walked the trail. One was heard to say, "Yes we followed the trail". Everyone present will know of course that to be a lie because as you all commented on the run "there is no trail here!"

CIRCLE CIRCUS

CD of photos from Hash Runs 56 to 74 available from Haidrolik.

A good venue for a large turnout and it was just that. Another, record equalling 62 starters – we not exactly starters but we did end up with 62 bodies.

We also had a record number of Newbies, 18. But there were only 17 in the circle for their welcome down down. What happened to number 18?

The GM tried to keep things brief but wasn't able to shorten the 'Charges' session.

The down downs were fairly evenly shared, with DRIBBLER making several trips to his knees after being very shy recently and our illustrious GM taking out overall honours by adding the POTW to his other achievements.

No less than five Hashers received real names with only one actually achieving five runs. Three others we rewarded a week early while **Gurdev** made such an impression that he was named on his first run!

The Hares put on another splendid BBQ and the crowd lingered until after dark (coincidentally the beer lasted exactly the same time!)

TUPPA announced that the venue for his run, on 21 October, the same week as the wedding of the year in Bali, would be Baucau. So there would be a convoy leaving Dili at 9.00 am and the run would be an early one, followed by a BBQ on the beach.

POTW

a keenly contested event this week with **WEE WILLIE** narrowly winning for going to Darwin to check the health of his tadpoles before his impeding nuptials
 The two other worthy contenders were **BROWNEYE** for providing questions for the Dili Club Trivia Comp which his team keeps winning, and **SIXTY NINE** for avoiding a rightful down down for bringing Newbies

Their new Hash names almost chose themselves!

A Chinese man decides to move to Australia to live. He buys a small piece of land near the outback. A few days after moving in, the friendly Aussie neighbour decides to go across and welcome the new guy to the region. So he goes next door, but on his way up the drive-way, he sees the Chinese man running around his front yard chasing about 10 hens. Not wanting to interrupt this 'Chinese customs', he decides to put the welcome on hold for the day.

The next day, he decides to try again, but just as he is about to knock on the front door, he looks through the window and sees the Chinese man urinate into a glass and then drink it. Not wanting to interrupt another 'Chinese custom', he decides to put the welcome on hold for yet another day.

A day later he decides to give it one last go, but on his way next door, he sees the Chinese man leading a cow down the

drive-way, pause, and then put his head next to the cow's bum. The Aussie bloke can't handle this, so he goes up to the Chinese man and says "What the hell is it with your Chinese customs? I come over to welcome you to the neighbourhood, and see you running around the yard after hens. The next day you are pissing in a glass, and drinking it, and then today, you have your head so close to that cow's bum, it could just about shit on you."

The Chinese man is very taken back and says "Sorry Sir, you do not understand, these aren't Chinese customs I am performing, but Australian customs."

"What do you mean mate" says the Aussie, "Those aren't Australian customs."

"Yes they are", replied the Chinese man, "for you see, in order for me to become a true Australian, I must Chase Chicks, Drink Piss, and listen to Bull-shit."
