NEXT WEEK'S RUN: Jesus Statue Car Park

Numatik and the little 'iks'

RUN NO. 85-BUPS & SCRUBBER'S HERA MARATHON (The Hares couldn't find time in their busy schedule to submit a run report. Neither could I.)

CIRCLE CIRCUS

A new 'out of town' venue and a good turnout considering we are in the 'holiday season'.

The early run time meant that we didn't have to rush the daylight but the GM must have been anxious to get into Bups' BBQ so he kept proceedings moving very swiftly.

We gladly welcomed four Newbies and sadly farewelled four more regulars. Though one or more might well return in the not too distant future.

With the departure of so many of our down down specialists recently there seemed to be no rush to take over the top gun spot. However, Golden Shower just shaded the honour ahead of a number of potentials.

The GM introduced his new RA in the person of Smoke Screen. I'm sure he will look just the part when we see him in his full-dress investiture. He also mumbled something while holding Psycho up in the air. Maybe we'll find out what it was this week.

Although several namings were due, our Guru, Cats Piss, had requested that they be postponed until he returned next week. Hope it's worth waiting for. But since Kate was leaving, her naming went ahead and deputy Guru Enlarger obliged with a name appropriately inappropriate.

The POTW was a sure thing for Bighorn, who could have won with either of his nominations.

NEW RELIGIOUS ADVISER SMOKE SCREEN (Formal investiture this week)

POTW BIGHORN for physically abusing the Hash Horn (and not a little bit for being chased by a queer!)

A Qantas airliner took off from Sydney airport. After it reached a comfortable cruising altitude, the captain made an announcement over the intercom: "Ladies and gentlemen, this is your captain speaking. Welcome to Flight QF12, non-stop from Sydney to Los Angeles. The weather ahead is good and we should have a smooth and uneventful flight. Now sit back, relax and OH, FUCK ... !!" Silence followed. Then after a few seconds, the captain came back on the intercom and said: "Ladies and gentlemen, I'm so sorry if I frightened you earlier, but while I was talking to you, one of the flight attendants brought me a cup of hot coffee and spilled it in my lap." He chuckled and said, "You should see the front of my pants!" A passenger in discount economy yelled out loudly, "That's nothing. You should see the SEAT of mine !!!!!!"

Despite the cost of living, have you noticed how popular it remains?
