HASH TRASH

All out, all change

With the departure of HotArse from the country (he wasn't deported, truly), the mantle of GM has been passed to Mr Hankey, alias Mini Dickus, alias 2IC. Hash help us all. Best of luck in Brisbane HotArse!

The results, well, see for yourself below. The circle is yet to recover from the GMs new disciplinary measures.

Some of the GM candidates took the dress code seriously

The Run

A rare combined run & walk trail, the runners decided at the outset to avoid all recognition of hash markings, and bugged off up the highest peak they could find. The walkers had to use harsh language and semaphore to get them back down. It was then On On to the cemetery overlooking the airport, always one to remind you why flying Merpati is a good idea. The circle then convened to decide whether anyone other Shamcock had abused groceries during the week and none would admit to it so his fate as POTW was sealed.

The Christmas Party at the Monkey Bar

Not strictly a Hash Function, but all thanks to Ross for another great afternoon out. Tragically for Shamcock, he brought his POTW mug along....

POTW

Run 296 – **Shamcock**, for forgetting www.immi.gov.au/dili and for trying to make a pregagnt woman sit on the rough-end of a pineapple

You Prick!!
