HASH TRASH

Hash Website:

1

Fresh rain brought plenty of humidity for the run from the old Portuguese Hospital

The hares (Oink & Bail-Out) lulled to pack into a false sense of security by starting off downhill. By the time the runners got to the old Balinese temple past Taibesse they figured the on-home was going to hurt.

In true Hash style, those who come first are penalised...FRBs!

They are blue...

Jenny becomes Empty Space

Founders Water Rat & Scrubber still here – Get a life!

Now I'll just warm this up on my back

Monarchists all??

Shocking charges...!

POTW – A rare moment, the reappearance of the *bicephallus robusta*, or two-headed prick, with Herpes & the Cunning Lingerer both stepping up to the plate with truly shocking behaviour.
