NEXT WEEK'S RUN: PHIL'S GRILL, COMORO BROWN EYE & GARY

LAST WEEK'S RUN REPORT BY THE HARES

WEE WILLIE & SEXON'S SCENIC SEASHORE SAFARI

What a run, in fact it would have been one of the best runs in the History of the Dili hash and the Hares **SEX ON** and **WEE WILLIE** did an outstanding job with many comments coming from the runners.

SEX ON laid the run using flour and the odd " I don't want it to rain" sentence and was very excited about the fact the run was happening in Tasi Tolu.

WEE WILLIE followed **SEX ON** around the track and stuffed paper here and there just in case **SEX ON** wishes did not come true.

However, things did turn to S..T as the rains came and **PAVAROTTY** started picking up the paper to use for other purposes.

Those FRB's kept up to their name by cutting pieces off the run and making false trails of their own and having to be called back on several occasions.

The excuse these guys made was that the rain had washed out the flour!!! What about the paper boys

and girls, and you can't use **PAVAROTTY** as an excuse because he is only an SCB and not a FRB.

The run ended with a trot along the beach and then the BBQ. A good run, a good beer and a good feed

THE TRUTH

Notice they didn't elaborate on the 'comments coming from the runners'! None very complimentary I expect. But, in fact it wasn't a bad run after all except that they missed a couple of opportunities to have Hold Checks on hill tops (you've got to give the pack SOME incentive to go up those hills) and they should have used HCI with or without the SCBs.

The feed after was a nice touch and we should look into doing that more often.

Who wasn't singing?!

CIRCLE CIRCUS

After being exhausted by the run home along the beach the runners were getting ready to dive into the cold piss and have a public session on the beach when **ROADKILL** drove off with what we came for! Then we discovered that **WEE WILLIE and SEXON** had decided to share the delights of their weekend cottage next door for the run après.

As the rain started, the throng moved into the covered BBQ area and a very cosy Circle followed. The **GM** couldn't manage to slip out of all of the down downs he was eligible for and got caught for the heinous crime of SCBing! Once again no POTW trophy so **PAVAROTTY** did his best to drink the equivalent amount in sympathy.

Four eager Newbies (though not Virgins) were welcomed and our generous hosts put on very welcome BBQ snags for our added pleasure.

*Scientists have discovered a food that diminishes a woman's sex drive
By 90 percent Wedding cake!*

Murphy was staggering home with a pint of booze in his back pocket when he slipped and fell heavily.

Struggling to his feet, he felt something wet running down his leg. "Please Lord," he implored, "let it be blood!!"

Q. Do you know the punishment for bigamy?

A. Two mothers-in-law.

An old man was sitting on a bench at the mall when a young man walked up and sat down. He had spiked hair in all different colours-green, red, orange, blue, yellow.

The old man just stared. The young man said, "What's the matter old timer, never done anything wild in your life?"

The old man replied, "Got drunk once and had sex with a parrot. I was just wondering if you were my son!"

...and here are Randy's statistics....

1. Late for Hash
2. Missed the run
3. Missed the Circle
4. No Hash gear
5. No apologies
6. Made excuses
7. Didn't sign in but helped herself to the tucker
8. Made sexy expressions while eating.
9. (suggestions?)

How many down downs is that so far?
