## LAST WEEK'S RUN REPORT BY THE HARES

### COW PAT & RUSTLER'S YELLOW COW PAT RUN

Well, we thought we'd be better than everyone else and use yellow spray paint, not flour that could be eaten or rubbed out, not shredded paper as we all know who would be using it on the way. Don't we PAVAROTTY! Shame! Shame!

We started at the Comoro Community Centre which is in the process of being built by some fantastic people. I wonder who they are? REEMUS, BB, JUNKET!

It was a steady run/walk which consisted of 2 Hold Checks and some false trails. We know it was rather short but do you realise it took two spray cans, half box of biscuits and a plentiful supply of aqua .... and not forgetting two hours of hard sweat!

At the start yhe Hashers were a bit hesitant to proceed. Weren't we WEE WILLIE and TWO DOGS?! Was it because there was a hill in sight that was quite large and you were looking for the SCB trails.

Ha ha ha! Did we fool you!

View from the 2<sup>nd</sup> Hold Check was magnificent, with specy views of the Comoro beachfront and airfield with

Dili in the distance. The breeze was strong but refreshing as we did a Hash song. STUBBY didn't join us. She decided to have a short nap hoping not to be missed. Caught you!

ROADKILL, SEX ON and RANDY led the ON ON down the religious hillside following the yellow cowpats down through the corn patch into the villages. Who took the wrong trail? And did we hear some naughty words down there? My my!

The rest of the run was flat with a few twists and turns through the village, but again the pack, led by VB, took the wrong trail ... except for JOSCELYN who was left to fend for herself.

As we all assembled back at the starting point the locals were in a Community Discussion. Oh dear! Where are we going to refresh ourselves was the main concern. REEMUS conversed with the big chief and we retreated down the road. Here we were led in song by PAVAROTTY who had us crossing our legs in laughter once again.

Well, we hope it was a shit run for you all, because we had the shittiest time setting it.

### COW PAT & RUSTLER

PS. On a serious note, we would like to say how it has been great to have met some fantastic people. We will sincerely miss you all.

Hail to the DHHH.

On! On! On!

May the shit runs live on for ever!

### THE TRUTH

*It was true that the run was short. In fact the distance to the first Hold Check was the shortest on record and the falsies were longer than the real run!*

*But, as usual, it was good fun and, at least, they went to the top of the hill!*

*..... And future Hares take note ... they sent in a good Run Report!*

## CIRCLE CIRCUS

### DOWN DOWNS

After diplomatically opting out of participating in the Local Council meeting the pack moved to a clearing at the end of the road by the airport and a very quiet and restrained Circle was formed.

The acting **GM**, **Monsignor RA**, tried his best to get some life into the proceeding but it looked as though there would be plenty of room on this page for jokes this week. But he cunningly called for charges from each Hasher in turn and then the floodgates opened! It was non-stop action with **TICKLER** and **PAVAROTTY** getting most beer for their money this week.

A sad note to the proceedings was so many Hash stalwarts leaving East Timor all at once. We wish you Happy Hashing wherever you go.

### Charges from the Circle

**RANDY** by **SEXON** for having no Hash gear and borrowing from her

**WATER RAT** by **JOSCELYN** for not looking after her on the run

**SEXON** by **HUBCAP** for forgetting her camera – but she hadn't! So the charge was reversed

**RUSTLER** by **WEE WILLIE** for not sending the Hash Horn last week. But this was disputed by **PAVAROTTY** and the charge was reversed. Then the Court of Enquiry established that not all the Hash Horn was present so **PAVAROTTY**, **WEE WILLIE** and co-accuser **BROWN EYE** had the down down

**ROAD KILL** by **WEE WILLIE** for drinking water the previous evening at a "Hash" function

**COW PAT** by **PEOPLESNIFFER** for jumping the gun but this was unanimously reversed. He was joined by **RUSTLER** who objected to the objection

**HASH CHRISTENING** **MAJELLA** has now become **ROWDY** for all the noise she makes  
**TIM** has now become **PEOPLESNIFFER** for his work time activities  
**JO** has now become **NIGHTSTALKER** for the way she carries on at night

**POTW** (Back at last!) To **BROWN EYE** by our a/GM apparently for not making sure that **MAPLE TURD** sang in the Circle last week but later it was apparent that our clairvoyant leader had realised that there was something else special about **BROWN EYE** this week. It was discovered later that our latest POTW holder was silently celebrating his 62<sup>nd</sup> birthday on that very day!

Let's have one more ...  
and then we'll head back to UNTAET
