### LAST WEEK'S RUN REPORT BY THE HARE

#### HUBCAP'S FINAL SCENIC STROLL IN DILI

Nature – in the form of a fallen tree blocking the main access road - conspired to prevent me from setting the Hash Run in Dare so I was forced to resort to Plan B. Plan C, actually; my original intention was to set a reprise of that classic jaunt in Fatuahi last December. For those of you who did not have the pleasure of that Hash-classic, ask **WEE WILLIE** – he was particularly vociferous in its praises. Fortunately, I was able to set a run starting at the ruins of the Governor's Palace that featured the hearty exercise and breath-taking vistas of which Dili Hashers are so fond.

At four o'clock sharp, I gave a quick explanation of the course. Then, with an "On-up, I mean on-on", the pack was off. Taking advantage of the superbly marked trail, our intrepid hashers turned left and sauntered up a gently sloping trail – with the exception of **PERSPIRATION** who apparently is in the need of some week-day training to build up her stamina.

The first check-hold was at a community basketball court although this was not immediately apparent to the FRBs. I yelled them back and the ensuing conversation went something like this...

**HUBCAP** (pointing to the blatantly obvious "Hs"): Didn't you see these check-hold signs?

**DRIBBLER** (looking at the "Hs" sideways): "I"? What does "I" stand for?

**HUBCAP** (after some thought): Idiot-proof-check-points!

**WEE WILLIE**: Didn't work....

At one of the baskets, some local youth were kind enough to show **WEE WILLIE** and **DIAK KALI** the meaning of nothing-but-net. This was after **WEE WILLIE** and **DIAK KALI** were kind enough to show the local youth the meaning of air-ball. Hashers figured that the few times that the locals missed their shots were because they were too polite to unduly embarrass the goofy malais. After some minutes of this, **DIAK KALI** and I became worried that most of walkers had not yet arrived and had to back-track and look for them. Apparently, **ROAD KILL**, **LACERATION** and others felt unbound by the dictates of convention or trail markings and decided to perform the mother of all SCBs back to the beer.

Those pure of heart continued with the Hash trail leading to the Portuguese hospital where we saw **SCRUBBER** committing the mother of all FRBs. Apparently, he couldn't wait at **HC1** and set off on his own. There was supposed to be a second check-hold at the hospital but it was ignored by all who feared that the SCBs would drink all the piss. Thus the hashers continued on a winding path familiar to those experiencing previous

hash runs starting at the hospital. Our heroes veered off the road, down a small ravine, across a brook and back on Home. The bliss of yet another hillside stroll was concluded and the SCBs actually left us some beer.

This was my final run with the DHHH as I will be going home to Louisiana. I'd like to thank everyone for all the enjoyable Sunday afternoons which did a lot to help me maintain (what passes for) my sanity.

On-On to you all.

#### TRUTH

*A great setting and a fair run considering the last minute rush. Though a few more hills would have been welcome!*

*(Pity we didn't know about your scribing talent before. All the best in Louisiana!)*

**CIRCLE CIRCUS**

**HUBCAP**'s original preferred run location became inaccessible at the last minute and so he chose a formerly salubrious location for his farewell run.

The splendid old Governor's residence at Redilaran was the venue for a lively Circle with both of our big guns back in action and **HORNY** adding his own special 'touch' to the proceedings.

Disappointingly this was the first run since the formation of DH3 that there wasn't even one newbie to welcome. Which Hashers could have brought someone if they had tried a bit harder?

Nick went away with a real name at last and **HUBCAP** went away for the last time, with the most runs under his belt.

**DOWN DOWNS**

- Hare**                **HUBCAP**
- Newbies**        (None! For the first time since Dili Hash started!)
- FRBs**             **SCRUBBER (Hold the Check!)**
- SCBs**             **PERSPIRATION, RUIPAH, Steve, LACERATION, ROADKILL, CUTOFF**
- 30<sup>th</sup> Run**        **DIAK KALI, SCRUBBER & WEE WILLIE (31)**
- 20<sup>th</sup> Run**        **LACERATION**
- 10<sup>th</sup> Run**        **CUTOFF**
- Leaning**        **WEE WILLIE**
- Leaving**        **HUBCAP**
- RANDY**         Who is Joe?!
- SCRUBBER**     Who is Mandy?!
- HUBCAP**        failed to sign in before the run
- Smoking in the Circle**    **PERSPIRATION, CUTOFF, RANDY, HORNY, BROWNEYE**
- For not having a down down**    **HAI DROLIK, PS, TWO DOGS, UPCHUCK**
- For overreacting to HORNY's helping hand**    **HAI DROLIK**
- Charges from the Circle**

Steve charged **ROADKILL** in lieu of rent for the Esky left at his place  
**DRIBBLER** charged Steve for such a verbose charge and pointing  
**DRIBBLER** charged **BROWN EYE** for missing his office function because he couldn't find the Mosque.  
 But **BROWN EYE**'s response was judged to be better than the charge. **REVERSED**  
**HORNY & LACERATION** charged **ROADKILL** for the wrong charge. But they were protesting when they should have been singing. **REVERSED**

**CHRISTENING**        *Nick* becomes **BABE** for having his nose in the trough too often.  
**POTW**                None this week because **SHOWGIRL** wasn't present – again!

*Beer*

*Yesterday, scientists from Health Canada suggested that men should take a look at their beer consumption, considering the results of a recent analysis that revealed the presence of female hormones in beer. The theory is that drinking beer makes men turn into women. To test the finding, 100 men were*

*fed 6 pints of beer each. It was then observed that 100% of the men gained weight, talked excessively without making sense, became overly emotional, couldn't drive, failed to think rationally, argued over nothing, and refused to apologize when wrong.*

*No further testing is planned!*

*Without question, the greatest invention in the history of mankind is beer. Oh, I grant you that the wheel was also a fine invention, but the wheel does not go nearly as well with pizza.*  
*Dave Barry*

*BEER: It's not just for breakfast anymore.*

*Beauty is in the eye of the beer holder.*
