NEXT WEEK'S RUN: DH3 50th Run Dili Port Main Entrance Your Committee!

LAST WEEK'S RUN REPORT BY THE HARE

DRIBBLER & MARY POPPIN'S 'PADDLE IN THE POO' PROMENADE

The day dawned and there I was laid in bed thinking, "Is this the day for me to set my first ever Hash run?" I think it was one of the hardest decisions in my life.

I eventually got **MARY POPPINS** out of her pit and we sat on the balcony having breakfast and deciding where would be the best place to go. I suggested we hide until Monday.

9.00 am good old **BROWN EYE** turned up to assist me. This was a relief as **MARY POPPINS** nor myself had any idea of the markings. The course was set and after taking tea we sat back waiting for the run to begin, hoping and praying that it would not rain. Thank god it didn't or I would have been in deep!!!!!! if it had.

3.30 pm waiting for the Hashers to arrive 4.00 pm looking for **SCRUBBER** only lives round the corner but could not arrive on time. Is that unusual or what?.

Out on to the run On On through the back yards of the village Hashers going in all directions until at last **Jacko** showed them where to go. We stopped at a Hold Check near a statue that was pointing it's finger in a south-easterly

The photogenic hair hare from his best angle

direction. We did a song and then On On to the next stage of the run. Up to the main road everyone enjoying the flat area until all hell broke loose when we crossed the main road on to the old airfield. The **Newbies** did not know what had hit them. Up to there knees in mud and water until they finally surfaced on the run way. It was like watching someone tiptoe through the tulips. The walkers got the easy way out with **MARY POPPINS** and **BROWN EYE** taking them for a quiet stroll.

True Hashers weathered the storm and it was back into the murky water until,

eventually, we arrived back at the main road. No one lost so far. "Is this the last of the water?" someone cried.

We had another Hold Check at the Central Medical Store football oval and again the walkers took the easy option out of, yes, once again murky waters, and after running and a few getting lost or short-cutting (**SCRUBBER**) we found our selves back at the Mosque, where we had our down downs followed by a bit of a barby.

Thanks every one for a good day. I will never forget my first day as the Hare.

On On.

The **DRIBBLER**

(Thanks **MARY POPPINS** and **BROWN EYE** for a memorable event.) *(Is there something we should know about? Ed.)*

TRUTH

A true (short) Hash run, though some faint hearts thought it a bit gross, (strange!). The sausage sizzle was a nice touch after a run through a sewer!

(Just a thought. Isn't it a pity you can't get swamps on hills!)

CIRCLE CIRCUS

What could have been more appropriate after a run through a swamp, a sewage farm, a piggery and various drains than a Circle in a contractor's yard? In short, the perfect Hash setting and clearly appreciated by all, especially the very appropriate kneeling surface for those offenders of Hash protocol.

And offenders there were, in numbers. But do they realise how lucky they were that our real **GM** turned up just in time to save them from the punishment that the stand-by **GM, SCRUBBER**, was dreaming up for them during the run. Keep on your toes, **SCRUBBER**'s day will come eventually!

Notable events were the six **Newbies** after last week's disappointment, **SCRUBBER** leading the down downs and the appropriate Christening of the former **Jocelyn**.

DOWN DOWNS

- Hares** **DRIBBLER & MARY POPPINS**
- Newbies** **ABSOLUT, Ed, Ele, Mike, Hamish, Trevor**
- FRBs** **SCRUBBER, ROADKILL, HAIDROLIK**
- SCBs** **SCRUBBER**
- Leaning** **Trevor, Ed, MARY POPPINS, Mike**
- Sitting** **Ele**
- Pointing** **CUTOFF**
- BROWN EYE** What sort of Trailmaster with only one SCB?
- DRIBBLER** Sponsoring four Newbies (Bonus Beer?)

Charges from the Circle

- ROADKILL** charged **BROWN EYE** for smoking in the Circle
- Steve** charged **HAIDROLIK** for wearing his hat during his down down
- DIAK KALI** charged **NUMATIK & OH NO OH YES** for not singing
- ROADKILL** charged **LACERATION** for not helping a fellow Hashman with car troubles
- BROWN EYE** charged **SCRUBBER** for delusions of grandeur, thinking he would be GM for a day.
- DIAK KALI** charged **PERSPIRATION** for confusing the **GM** by moving around during the Circle
- Julie** charged **PERSPIRATION** for living up to her name by almost raping **LACERATION** for the car keys **REVERSED**
- CHRISTENING** **Jocelyn** becomes **HARDASS** for impersonating a paperweight
- POTW** None this week because **SHOWGIRL** wasn't present – again!

The 50-50-90 rule: Anytime you have a 50-50 chance of getting something right, there's a 90% probability you'll get it wrong.

A man goes to visit his old grandpa in a nursing home. "How are you grandpa?" he asks. "Feeling fine" says the old man. "What's the food like?" "Terrific, wonderful menus." "And the nursing?" "Just couldn't be better. These young nurses really take care of you." "What about sleeping? Do you sleep OK?"

"No problem, nine hours solid every night. At 10 O'clock, they bring me a cup of hot chocolate and a Viagra tablet ... and that's it. I go out like a light."

The grandson is puzzled and a little alarmed by this, so he rushes off to question the Sister in charge. "What are you people doing?" he says. "I'm told you're giving an 85-year-old Viagra on a daily basis. Surely, that can't be true?" "Oh, yes," replies the Sister. "Every night, at 10 O'clock we give him a cup of hot chocolate and a Viagra tablet. It works

Why is a bachelor skinny and a married man fat? The bachelor comes home, sees what's in the refrigerator and goes to bed. The married man comes home, sees what's in the bed, and goes to the refrigerator.
