### **RUN NO. 51 REPORT – DIAK KALI and BROWN EYE's EASTER RICE RUN**

1,000 or more Hashers gathered on a lonely road south of Comoro for what was to be the greatest run in Dili Hash History. The Great **GM** (me) himself told the runners what wonders awaited them. The Trailmaster (**BROWN EYE**) looked on with great satisfaction knowing that he had set the perfect run.

On-on the runners went south, then quickly east into the rice fields. For some unknown reasons, many of the hashers ended up falling on their butts while try to run along the wide and well marked path. **PERSPIRATION** could be heard from a great distance complaining about the run through the rice, but that was nothing new.

As the runners broke from the fields, **VB** led the pack down a well marked falsie. Unfortunately some local kids

erased the marks so they were heading back into the field before being turned back.

Soon all the hashers met up at Hold Check #1. **PERSPIRATION** stopped complaining long enough to lead everyone in a great little Easter song.

With everyone feeling good about the Easter Bunny, we all headed back into the rice fields for more hash fun - running through two small villages and one large pasture. **VB** was managing to be a FRB yet hit every single falsie out there. Getting left behind seemed to make him run even faster.

Hold Check #2 saw **PERSPIRATION** lead us through a shortened hash song, but everyone was really anxious to start running up the nearby hills.

Once again the Runners were led by **VB** and newcomer **Antonio**. Both of them seem to defy gravity as they flew up the gentle rising hill. Those Hashers that ventured up the hill were treated to an excellent view of Dili and nearby Atauro Island.

Back down the hill and through the villages the hashers went. Around a big monkey tied to a tree and through yet more fields. **VB** and **Antonio** were FRBs to the end, flying past walkers. One or two were actually knocked on their arses from the gust of wind that followed them.

The Hashers ended back where they started and all agreed that this was, of course, the run that set the standard for runs to come. And if you believe all that, I've got some ocean front property in Arizona that I would like to sell you!

## CIRCLE CIRCUS

A very decent number (considering the holiday weekend) of very hot, indecent Hashers gathered, to witness the weekly punishment awards, in a clearing in the tall grass, which made us all (except **DIAK KALI**) feel like Fukawi tribesmen.

No less than five Newbies were privileged to participate in the proceedings and all seemed appropriately amused and/or amazed with the ritual. We live in hope that we may see even a few of them for a second time.

We also welcomed back **VB** as sponsor for **Antonio**, one of the Newbies, and hope that they can con a few more Timorese into joining us in the coming weeks.

**DRIBBLER**, with **BROWN EYE** not far behind, was his usual thirsty self and once again had more than his fair share of the beer, including the **POTW**, awarded with the help of the Circle for giving up the pleasure of weekend work to come to Hash and look after **Simone**.

**DRIBBLER** charged **TUPPA** for not bringing his wife who had just arrived in East Timor. **TUPPA** also had to drink a down down for his wife in absentia

**BROWN EYE** charged **Sharlene** for eventually giving in to persistent invitations and coming to Hash against her better judgement

**DRIBBLER** charged **BROWN EYE, RANDY & Tarik** for smoking in the **Circle**

**POTW** **DRIBBLER** for coming to Hash instead of going to work because he wouldn't trust a fellow Hasher to look after **Simone**

Never argue with an idiot;  
people watching can't tell which  
is which.

Two Irishmen were sitting a pub  
having beer and watching the  
brothel across the street.

They saw a Baptist minister walk  
into the brothel, and one of them  
said, "Aye, 'tis a shame to see a  
man of the cloth goin' bad."

Then they saw a Rabbi enter the  
brothel, and the other Irishman  
said, "Aye, 'tis a shame to see  
that the Jews are fallin' victim  
to temptation."

Then they saw a Catholic priest  
enter the brothel, and one of the  
Irishmen said, "What a terrible  
 pity.. one of the girls must be  
quite ill."

Latest survey shows that 3 out  
of 4 people make up 75% of the  
world's population.

Two blondes are shopping when  
one finds a make-up compact on  
the footpath.  
She opens it, and inside is a  
mirror.

"If there's anybody here who knows why  
these two should not be wed..."

She looks into it, then looks away.  
She looked into it again.  
Confused, she says to the second  
blonde, "I'm not sure, but I think  
this person in the compact looks  
very familiar."

Curious, the second blonde has a  
go.  
She looks into the compact,  
hands it back and says, "It's me,  
you idiot."

Go ahead and take risks....just  
be sure that everything will  
turn out OK.
