NEXT WEEK'S RUN: *Pantai Kelapa (Turn right at Phil's Grill) WATER RAT & HARDARSE*

RUN NO. 54 REPORT DRIBBLER & TUPPA's 'CATCH ME IF YOU CAN' RUN

DH3 Hashers once more proved how gullible they are when they turned out in their numbers for another run set by the co-Hare for the 'Shittiest Shit Run of the Year from the same venue at Pitt & Sherry's yard opposite the Mosque.

Perhaps they realised that this one HAD to be better than the last. But why? This is Hash remember. There is always a worse run out there somewhere.

We had an inkling of what was in store when the Hares whined "We set the trail with flour but it rained heavily and we're not sure if there is any left now."

So with the sounds of **BROWN EYE's** protégés in the Mosque ringing in our ears we set off for **DRIBBLER & TUPPA's** 'Mystery Tour'.

However it soon became obvious to the runners that the lack of flour didn't matter at all because **DRIBBLER** led the pack from start to finish anyway! (And later, in the Circle when the truth came out (as it usually does in the Circle), it turned out that the walkers' Hare **TUPPA** led them all the way too!)

This would have been alright (for real runners) if only the Hares had remembered where they set the run

in the first place. But, with every lane and drain looking like every other lane and drain our route soon took on the appearance of a plate of spaghetti as we weaved our way through the less frequently visited parts of Fatuhada.

By the most fantastic coincidence the runners and walkers did meet at two convenient spots to have Hold Checks and songs. This week the **Choirmaster (f)** reverted to the standards 'Swing Low' (assisted by **PRETENDER**) in Fatuhada village square and 'Singin' in the Rain' on the sands of the Dili Riviera.

Admittedly the second song on the beach was delayed awaiting the arrival of **BROWN EYE** who was trying for next years award for the 'longest short cut'.

Apart from **DRIBBLER's** familiar rear end the rest of the runners were treated to the new sight of the hind parts of **Derek, Doug** and **Bill** (How did he miss out on an FRB down down?). Something which, I fear, will be seen with monotonous regularity in the near future. (Most **Newbies** have the sense to stay back in the pack until after they've been named!)

DRIBBLER's route selection strategy (or lack of) completely confused our two-time Boston Marathoner **Jamie** who couldn't get into his stride believing that this Hash Marathon was just a warm up for the real run later.

But, despite everything I'm sure we'll all turn up next time ... just in case ...!

CIRCLE CIRCUS

The impressive numbers continue. Is our fame spreading or haven't all these Newbies heard about Hash before! (Probably the knowledge that there were no hills within running distance from the venue added to the encouragement.)

DRIBBLER was back in action so the rest could hardly get near the down down mugs. (Perhaps we should think about raising his subs or charge him by the down down!) No one else came a close second though **PRETENDER** showed encouraging signs of becoming a frequent kneeler at future Circles.

Sadly we had to said goodbye to **TWO DOGS** who has been one of our regulars with twenty runs and also co-winner of the Award, presented last week, for the **Best Shit Run of the Year**.

Missing from last weeks Awards Dinner was **DRIBBLER** who was presented this week with his award as co-Hare for **The Shittiest Shit Run of the Year**. **Simone** stood in (kneeled in) for the missing co-Hare, **MARY POPPINS**.

Making it almost another Awards night, the acting **GM**, **WEE WILLIE**, presented a copy of the (much sought after) **DH3 Hash Trash** to Newbie (and leaver) **Jamie** to help take the pressure off his frantic research for East Timor articles for the (real) New York Times.

WARNING TO ALL HASHMEN!

There is a new "date drug" now in use by female sexual predators at parties to convince their male victims to have sex with them.

The shocking statistic is that this drug is available virtually anywhere! The drug is a translucent amber liquid, known on the street as "beer".

All these women have to do is buy a beer or two for almost any man and simply ask him home for no-strings-attached sex.

Men are literally rendered helpless against such attacks.
