NEXT WEEK'S RUN:

ATAURO ISLAND

SCRUBBER & BUPS

RUN NO. 55 REPORT LACERATION's & BROWNEYE's 'SEE WHO WE CAN LOSE' RUN

SHIT RUN, shit run, shit run – is there any other decision? The way the Hash collectively votes SHIT indicates an inherent insecurity derived from the days of “pooh” training. Even the Hares agreed that it was a good run, given the change of venue due to the risk of having the Hash mixed in with the Becora church Santa Maria parade. Hares LACERATION and BROWNEYE (standing-in for PERSPIRATION, who remained adamant that MOTHERS' DAY was a day to reflect how the children turned out – and not set Hash runs) took their punishment despite their protestations of “a great run”.

The run took place in 3 stages with two Hash Holds. The runners did a quick circuit of Motael avoiding the opportunity for a “p.s” stop at Dili Sands before joining the walkers in front of the Timor Post office. PRETENDER pretended that he knew the words and actions to the Hash Hymn (Swing Low...) while the real Hash Musik took it easy. DRIBBLER still hasn't explained to Simone what all the spitting in the hand is about!

Around the southern end of the heli-base for a gentle stroll by the walkers and a circuit via the Hong Kong restaurant and hotel, and through a village area under the trees, for the runners. The FRB's at that stage had the bit between the teeth and almost disappeared down the old runway totalling ignoring the walkers at the second Hash Hold. Then it was back to rumah PERSPIRATION and LACERATION via Fatuhada and a transit of the open area where the Central Pharmacy will eventually be built. Devious checks by the Hares were no match for the tenacity (and local knowledge) of the FRB's.

A number of misdemeanours on the run were appropriately rewarded in the circle later. Chief amongst those was HAI DROLIK who checked slowly in order to avoid ending at

So that's what PS stands for. But he hasn't been sharing his profits with his Hash mates. Calls for a BIG down down GM!!

the back of the pack should the trail go elsewhere than where he was checking. HARDARSE couldn't decide whether to be a walker or a runner – then showed the runners that she had been misnamed. BABE commented that you didn't need too much imagination to know what TWO DOGS was doing and DRIBBLER, normally noticeable by his total disregard for the trail was absent and BUSHWACKER did some good checking and calling.

Final decision – a good run which kept the pack together except for visiting hashman SKUNT (ex Batavia H4) who had to get the Portuguese Police to give him directions on how to get home. No the Porto policia don't know where LACERATION lives; they sent SKUNT to the CIDA house which is virtually next door.

Even ABSOLUT was absolutely knackered but made a speedy recovery after a couple of glasses of the real Absolut.

CIRCLE CIRCUS

There was no doubt that the large turnout this week was to make sure that the **GM** was appropriately farewelled. And he was. Not only did he monopolise the Charges from the Circle but he almost single-handedly polished off the beer stocks as well.

The other attraction for this run was to see inside the grounds of a real house in Dili. All were suitably impressed and decided that all **DH3** runs should start from and end here in future – even if it means getting a truck to take the runners to the actual run site. A definite contender for next years Venue Award.

The misdemeanours were many and varied and fairly evenly spread this week. The **GM** finished off with a flourish with **WEE WILLIE**, the **GM** elect, giving him all the charges he had wanted to give him during the year (*Too numerous to list below*).

DOWN DOWNS

- Hares** LACERATION, BROWN EYE
- Newbies** Mick, Larry, SMOOTHIE, (and much later) SKUNT
- Neglecting Newbies** Col, BROWN EYE (x2)
- FRBs** DIAK KALI, HAIDROLIK, PRETENDER, LACERATION
- SCBs** HAIDROLIK, PS, PRETENDER, SMOOTHIE
- Smoking** Guy, BROWN EYE, SMOOTHIE, RANDY, PERSPIRATION
- Leaners** BROWN EYE, ROAD KILL
- Leavers** DIAK KALI
- 10 Runs** RANDY, PULL IT, PUSH IT
- No Hash Gear** CUT OFF, NUMATIK, HARDARSE, WATER RAT, RANDY, SMOOTHIE

Charges from the Circle

- GM** charged **SKUNT** for making a false charge
- GM** charged **HAIDROLIK** for creating confusion
- GM** charged **WEE WILLIE** for losing his Wee Willie protector on the run
- GM** charged **POGO** for training for Hash
- HAIDROLIK** charged **PRETENDER** for not knowing his own email address
- GM** charged **WEE WILLIE** for answering his phone when he should have been helping the **GM**
- GM** charged **RANDY** as a stand in for **SEXON** for calling **WEE WILLIE** during the **Circle**
- BABE** charged **ROADKILL** for leaning. But the charge was **REVERSED** because he got the wrong leaning place
- GM** charged **ROAD KILL** for running out of beer (*the GM must have wanted more after the Circle*)
- GM** charged **SMOOTHIE, NUMATIK, SKUNT** for conspiring against the **GM**

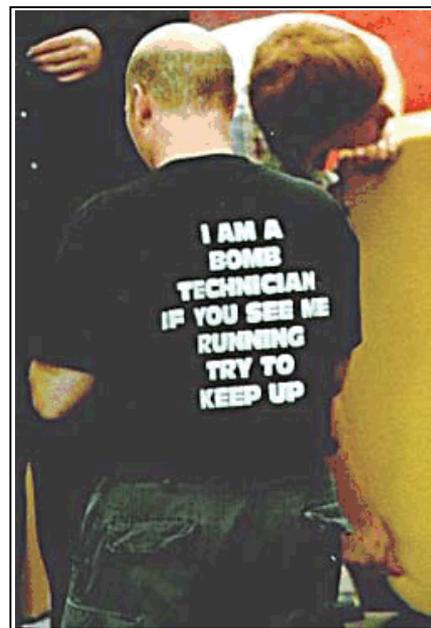

- PRESENTATION** to **DIAK KALI** for being the **Most Consistent FRB of the Year**
- NAMING** *Simone* becomes **LOROSAE LEMON** for her identification with both
- POTW** Still no **POTW** vessel, but an award was made to **Col** for confusing pigs with sheep. (*Col looked like he was more confused by the charge than by pigs and sheep*).

Newbie **SMOOTHIE** got off to a flying start and will definitely be charged extra subs if he keeps this up.

ROAD KILL received almost as many as he dispensed this week and **RANDY** and **HAIDROLIK** weren't thirsty by the time the Circle was over.

The **GM** ended the evening in true form by announcing that he had forgotten to bring the **POTW** mug and then proceeded to make up a charge against **Col** which was acquitted using the regular down down jug.

Despite everything we all thank **DIAK KALI** for services rendered and wish him well wherever he may Hash in the future. Poor **ABSOLUT** felt so faint with the emotion of the occasion that he just had to lie down and **RANDY** had to be called to his aid.

Remember, a Down Down is a Reward, Drink It or Wear It. (Words of Wisdom, Brown Eye, May 2001)

"OLD" is when your sweetie says, "Let's go upstairs and make love," and you answer, "Honey, I can't do both!"
... Or when your friends compliment you on your new alligator shoes and you're barefoot.
... Or when going bra-less pulls all the wrinkles out of your face.
... Or when "Getting lucky" means you find your car in the parking lot.
... Or when an "all-nighter" means not getting up to peel!
