RUN NO. 58 REPORT - A verdant stroll around Villa Verde

The accumulation should have assembled for the 58th DH3 run in the grounds of the ruins of the livestock section building. Incorrect directions from On Sex worried the Hares, but a quick call saw them all emerge from the PX car park – or so they said. (Ed. Which part of “the compound with the burned out building just past the PX (coming up from the sea) and on the other side of the road” didn’t they understand?)

The hares envisioned a great run, rising phoenix-like from the ruins of the once majestic building (1955 was a good year for some). And it has to be said that this was the best conducted run of the year.

Accordingly, after a late start (due to the poor directions (see above), the late Hash Cash and the predictably large numbers of runners – the word had got around that something special was on the make - it was ON ON out the gate for the first check point. The runners failed to check it out properly and the Hares had to call “ON BACK” to get the keen pack back on course.

A quick loop around UN Agency House saw the collection heading west. They met up with the walkers who had a great walk past such highlights as the Mataduro – (abattoir) and into the area of Villa Verde. The walkers just preceded the runners to HC I. In the absence of Hash Choirmistress PERSPIRATION, PS lead the singing and then it was ON ON up the hill – compared with last week’s run virtually a flat plane - to HC II.

The walkers kept on to HC II via some of the nicest house gardens in Dili and a great jungle trek through raging torrents – well a few puddles to be jumped – to lead the runners in by a country mile. Many a runner was seen to be SCBing as they headed strait to HC II avoiding the trail after the trying run across the mighty “Kareeba Dam” wall. In what was later described as “one of the best marked trails in Dili Hash History” shame on the runners!! Another sing song was led by PS under the teak trees – well it should have been there as the

(UN)SYNCHRONISED HASHING!

Hares were being considerate in avoiding over-exposure in the harsh fading light.

The runners ON ON’ed down the track while the walkers cut cross village – hurdling fences and following numerous paths, only to be beaten home by the runners – must have been more SCBs - for the final track home. Must have been the floral collection for the wedding that delayed the walkers. An insubordinate dog prevented many from taking the best marked trail in Dili Hash History as many a runner was seen off the track hurdling the many drains that make up Villa Verde.

No one got lost – a well marked trail. Congratulations to the Hares for a well set course and a great run/walk. Not bad for virginal Hares!!

THE TRUTH

A well judged and well planned run – by Hash standards. Pity those inviting, nearby hills didn’t get some use though!

CIRCLE CIRCUS

An absolutely HUGE turnout for a real virginal affair.

Two virgins set the run, five virgins came on their first Hash run ever (well we don't know if they actually came but they did show up, pay their fees, complete the run/walk and have their down downs) and two more 'virgins' got married.

Our **GM, WEE WILLIE**, and his betrothed, **SEXON**, tied the knot in 'moving' Hash ceremony under the watchful eye of **RA, DRIBBLER**.

Father of the bride, **BROWNEYE**, with his usual eloquent speech, gave away the blushing virgin and **CUMAKARZY**, who was clearly the Best Man, dispensed the champagne after the nuptials were completed.

DOWN DOWNS

- Hares **PULL IT, PUSH IT**
- Newbies *Julianne, Fyn, Gillian, Anna, Ephie*
- Neglecting Newbies **SEXON, POGO, TUPPA**
- FRBs **CUMAKARZY, Fyn, SALSA, Doug, SCRUBBER, HAIDROLIK**
- SCBs **BROWNEYE, BUPS**
- Smoking **BROWN EYE, Gillian**
- 10 Runs **PULL IT (Last week), PUSH IT**
- 30 Runs **LACERATION (Last week)**
- 40 Runs **SCRUBBER**

Charges from the Circle

- CUT OFF** charged **DRIBBLER** for envy
- PS** charged **SPORRAN** for 'Who's Don'
- BROWNEYE** charged **PS** for bringing his family to Hash
- HAIDROLIK** charged **SPORRAN** for forgetting his own email address and getting **On Sex's** Hash name wrong
- ROADKILL** charged **LORASAE LEMON** for use of her mobile phone during the Circle
- SPORRAN** charged **DRIBBLER** for causing him to injure himself on last weeks run
- LACERATION** charged **PUSH IT** for humiliating a Hashman at work. **LACERATION** joined her in the down down for not knowing his **PULL ITs** from his **PUSH ITs**.
- Ephie** charge **GM** for lying. **REVERSED** because it's not called lying when a Hash **GM** does it
- GM** charged **Ephie** for 'hats in the Circle'
- GM** charged **Dennis** for leaving his shoes on Atauro Island last week
- GM** charged **Doug** for using his mobile phone in the Circle

NAMING

- Col** becomes **SARAH LEE** for his famous name and his military background
- Hamish** becomes **SPORRAN** for his ancestry and the shape of his shorts
- Tom** becomes **CACTUS** for something to do with multiple pricks
- Trev** becomes **CUMAKARZY** for getting into and out of the shit

POTW

At last **DRIBBLER** had the **POTW** vessel and an audience. Problem is he didn't have a good charge so he presented it to **CACTUS** (formerly **Tom**) for causing someone to telephone him early on his lie-in morning. (*Ed. Definitely a bonus beer situation not a POTW one.*)

Together with his speech to the assembled (paying) guests the groom rewarded the more deserving of them with extra beer for their various (often misguided) efforts. Then the guests rewarded each other in a similar fashion. See below for full details.

To further honour the occasion, the **GM** bestowed honorary Hash names of no less than three five-time runners and one particularly deserving three-time runner.

The **RA** closed the forgettable ceremony with the award of the cherished **POTW** to aptly- named **CACTUS** and then conducted private confession sessions. (The results of these will be published in next week's Hash Trash.)

Letters to the Editor

Point of Order

I took issue with this at the time, but was shouted down by the RA during last week's nomination for the POTW. I therefore take this opportunity to formally raise the issue and my objection to the method and nature of this weekly "award".

At the time, and still to this day, I object to the RA's nomination, quickly followed by the coronation, of the POTW.

The nomination was based on the RA's assumption that all or any hashers are evenly remotely concerned with his sleeping habits. I also found the nomination to be overbearing, personal and vindictive. None of these should ever belong in a hash circle.

I therefore submit that the POTW for the month of June be suspended and that the RA be declared POTM for the remainder of June.

On on.

BUPS

(Ed. Point taken. See comment in Circle report. However, bear in mind that the POTW was awarded to the Dili Hash on the basis that the next holder would be the sole choice of the previous holder. Sometimes the rest of the Circle help out but that is not the norm.)

Always remember that I have taken more out of alcohol than alcohol has taken out of me. Winston Churchill

A man is walking down the beach and comes across an old bottle. He picks it up, pulls out the cork and out pops a genie.

The genie says "Thank you for freeing me from the bottle. In return I will grant you three wishes."

The man says "Great. I always dreamed of this and I know exactly what I want.

First, I want 1 billion dollars in a Swiss bank account."

DILI HASH HOUSE HARRIERS BUSINESS

The Grand Master, Wee Willie, recently sent the following email to DH3 Mismanagement Committee:

Scrubber, our Hash Cash, can always be found hard at work. **Scrubber** works independently, without wasting Hash time talking to colleagues. **Scrubber** never thinks twice about assisting fellow Hashers, and he always finishes given assignments on time. Often he takes extended measures to complete his work, sometimes skipping beer breaks. **Scrubber** is a dedicated individual who has absolutely no vanity in spite of his high accomplishments and profound knowledge in his field. I firmly believe that **Scrubber** can be classed as a high-calibre **Hash Cash**, the type who cannot be dispensed with. Consequently, I duly recommend that **Scrubber** be promoted to **Vice GM**, and a proposal to this effect will be executed as soon as possible.

Shortly after emailing the recommendation, the Grand Master quickly dashed off a second email:

He continues, "Next, I want a brand new red Ferrari right here."

He continues, "Finally, I want to be irresistible to women."

A shy guy goes into a bar and sees a beautiful woman sitting at the bar.

After an hour of gathering up his courage, he finally goes over to her and asks tentatively, "Would

you mind if I chatted with you for a while ?"

To which she responds by yelling, at the top of her lungs, "No, I won't sleep with you tonight !"

Everyone in the bar is now staring at them. Naturally, the guy is hopelessly and completely embarrassed and he slinks back to his table.

After a few minutes, the woman walks over to him and apologizes.

She smiles at him and says, "I'm sorry if I embarrassed you. You see, I'm a psychologist and I've got an assignment to study how people respond to embarrassing situations."

To which he responds, at the top of his lungs, "What do you mean ... \$200 ?"
