### RUN NO. 60 REPORT – POGO & WHITE RABBIT'S 'SIGN OF THE KIWI' RUN

The largest gathering of the year (48) turned up to Obrigado Barracks for the "Sign of the Kiwi" run. This may have been due to the gentle nature of the last trail by **POGO** and **CUT OFF**.

The course made its way following the Caicoli road until breaking track and heading On Up. This route took runners through a pleasant neighbourhood, no pigs a few dogs and less kids than normal.

Passing the back of the school the runners made it back to the main road to be met by the walkers. **PS** as acting **CM** lead the singing of Father Abraham.

On On the call and the runners followed Caicoli until the sweet sound of On Up was uttered.

**PS**, being the normal FRB that he is, led runners up, up a false trail with no markings, this allowed the tailenders to catch up and regroup. A particularly treacherous descent was made, some almost into the roof of a local's house.

On Down past the CTO to the second Hold Check where a rendition of Swing Low that would bring tears to the eyes of an Englishman, echoed through the local village.

A short stretch thereafter through the Dili Market, the pace certainly picked up

at this point, likely because the area is out of bounds to certain PKF members. On home past the National Command Elements to Obrigado.

The walkers had **WHITE RABBIT** for company which at times is a task in itself. However he managed to keep them following signs as opposed to **LACERATION** who was continually looking for shortcuts on what was a short walk.

A new call has been invented for walkers it is "Ohhh, I've found one". Luckily an experienced walker, **BROWNEYE**, was present to use the correct terminology.

It has been noted that walkers have not been used to false trails, so finding one actually threw them for a while. **WHITE RABBIT** intends writing a user manual for walkers to use in future.

On home to Obrigado for well earned drinks and good company. A short enjoyable run with a good Circle to finish.

**"Stay low, move fast and keep your powder dry"**

**POGO** and **WHITE RABBIT**

Unashamed FRB!

# CIRCLE CIRCUS

Another record turnout! We'll have to make this the Dili Hash HQ. And a total of eight Newbies – another record. I can't believe there are so many out there who still think we are enjoying ourselves on Sunday afternoons.

With **DRIBBLER** and **BROWNEYE** keeping a low profile lately the down down honours were spread fairly evenly though the **GM** and **Hare POGO** figured quite prominently.

Overdue Annual Awards were presented to **HORNY** (who hasn't been to Hash since before the Awards Dinner on 29 April) whose current elegance make it hard to believe that he was unanimously elected the 'Worst Dressed Runner of the Year' just a couple of months ago.

Another of the regular but sad farewell presentations ended the Circle. This time we said goodbye to Dili Hash stalwart **PS** who is off south at the end of his tour in ET. We wish you all the best and don't hesitate to come back to Dili if things get too tough in Aus.

The Hares then generously laid on a BBQ for the hungry athletes who obviously haven't eaten well for a long time!

## DOWN DOWNS

<b>Leavers</b>	<b>PS</b>

## Charges from the Circle

- SPORRAN** charged **DRIBBLER** for no particular reason
- POGO** charged **Ted** for having to be told by his wife to come to the Circle
- BROWNEYE** charged **POGO** for brand new tyre on his "well used" bike
- SARAH LEE** charged **PRETENDER** for "Who's Col?"
- EVERYONE** charged **WEE WILLIE** for "Who's Steve?"
- SEXON** charged **GM** for giving false instructions to a Newbie
- David** charged **HORNY** for bringing him but not owning up to it

**POTW** Since previous holder, **CACTUS**, can't recognise real Hash misdemeanours yet he invited suggestions from the Circle and the GM nominated **HAIDROLIK** for giving poor marks to the Hash team at the Rotary Trivia Quiz. (Which was ridiculous since the team didn't need his help to get low scores!)

**PRESENTATION** to **HORNY**, the Dili H3 Annual Awards for "Worst Dressed" and 'Most Penetration'.

**FAREWELL** to Dili Hash stalwart and acting **Choir Mistress, PM.**

*A German, an American and a Kiwi are on death row. The Warden gave them a choice of three ways to die: to be shot, to be hung or to be injected with the AIDs. virus.*

*The German said, "Shoot me right in the head." (Boom he was dead).*

*Then the American said, "Just hang me." (Snap he was dead).*

*Then the Kiwi said, "Give me some of that AIDs stuff."*

*They gave him his shot and he fell down laughing, the guards looked at each other and wondered what was wrong with this guy.*

*Then the Kiwi said "Give me another one of those shots", so the guards did, now he was laughing so hard he*

*was almost peeing his pants.*

*So finally the Warden said, "What the hell is wrong with you?"*

*The Kiwi replied "You guys are so stupid, I'm wearing a condom!"*

Reality is an illusion that occurs due to lack of alcohol. Anonymous

PS wondering whether he should drink it and leave or just stay in ET for good

How could such elegance get "Worst Dressed of the Year?!"
