RUN NO. 70 REPORT – BONER, SPERM BANK, LACERATION & Nick

Ordinary days are for ordinary hash, extraordinary days of course bring extraordinary shit.

August 24, was our last chance to get **WEE WILLIE** to the presidency. Yes, this was the last run-up before the elections, and a run-up it was. To ensure broad support, the party was divided in two. In a pinch strategy, **LACERATION** took the walkers to the right while **BONER** led the runners to the left. After a few short checks, a quick warm up through the jungle of banana politics, the party found its way up, and up it was.

Sweaty, sticky, swearing, the party pushed **WEE WILLIE** to the top. Timing was perfect with first runners and walkers arriving at the same time (not to mention last runners and walkers arriving twenty minutes later).

PRESPARATION led the choir for a short "Father Abraham" and as promised, it was only downhill from there.

With beer on sight, **BROWN EYE** who had been behind during the entire run suddenly found untapped energy to lead the group to the circle.

"Shit run," they all said, some with a smile, some with a cringe (whatever that means).

Hares: **BONER** and **SPERM BANK** (**SPERM BANK** was excused in favour of a Bali kinky weekend and was replaced by **LACERATION & Nick**).

Summary:

It was one Hold Check run but what a Hold Check!

The runner's navigated a well-marked but circuitous and well 'falsied' route to the bottom of the FBH overlooking the cemetery and the Comoro River while the walkers started up the FBH almost immediately from the other side.

Without a break the runners, by now most definitely walkers as well, started up the steepest zig-zag the Hares could find to arrive at the top of the mountain at the same time as the first of the walkers.

Unfortunately the Hares had run out of flour by the time they reached this point and the trail to the HC location could not be found until the Hares arrived (some time later!)

After a fairly long but welcome rest the parties started down again in opposite directions with only a short On Home and another long falsie for the runners - at the bottom of the descent.

Definitely a good work out but another HC before the ascent would have kept the runners pack together a little better and a helicopter would have helped the walkers!

KEEPING THE PACK TOGETHER!

About time we had another Hash Dinner. Anyone have any preferences for venue and timing?

CIRCLE CIRCUS

CD of photos from Hash Runs 56 to 70 available from Haidrolik.

A roadside venue ominously located in the shadow of a cemetery and a recently-conquered FBH was the location for this week's atonement proceedings by the DH3 faithful pilgrims.

The GM's new streamlined procedure had things humming along until we got to the Charges from the Circle when things began to get a bit hectic with charges coming in from all angles.

A record number of namings followed, thanks to our resident clairvoyant, **BUSHWANKER**, with his 'inexplicable

inspirations'. All recipients seemed almost as delighted with their new titles and did their close friends, who were heard using their new names 'frequently'.

The POTW has obviously increased in popularity since the beer bonus was added to the prize money.

There were no less than four nominations from last week's winner and another one from the Circle. The standards were so high that it was impossible to separate the top two and

so a joint award was made. (Could be an expensive week to be drinking in Dili – luckily I will be in Darwin!)

Another sad farewell ended proceedings as we said goodbye to PUBIC STRAP. However, one thing led to another and we reassembled for a farewell dinner in his honour at Sol Nascente where much beer and wine was drunk and many Karaoke songs were murdered.

Best of luck in Melbourne. We look forward to seeing you in Dili again in the not too distant future.

DOWN DOWNS

- Hares** **BONER, PERSPIRATION, Nick** (where was **SPERM BANK**)
- Newbies** **John, Peter, Fatima, Nick, Vadim, Vic**
- Sponsors** **PERSPIRATION, LACERATION, HOTLIPS, BALD EAGLE, HAIDROLIK, GOLDEN SHOWER, NUMATIK, TWO STROKE**
- SCB** **BALD EAGLE**
- Leaver** **PUBIC STRAP**
- Hats** **PERSPIRATION, BALD EAGLE**
- 10 Runs** **EJACULATION**
- 40 Runs** **HAIDROLIK**

CHARGES FROM THE CIRCLE

- MUMBLES** charged **BONER** for leading the pack astray
- POGO** charged **SALSA** for forgetting the GM's Hash name
- BUPS** charged **EJACULATION** for overuse of the horn.

REVERSED but **EJACULATION** got the down down and not **BUPS**. (GM's whim?)

BROWNEYE charged **POGO** for deliberately disabling his bike to leave energy for Hash. (Bonus Beer material!)

HORNY charged **GM** for abandoning his mates at half-time in the Kiwi/Springboks game.

SEXON charged **RANDY** for going diving and coming late to Hash.

SEXON charged **HORNY** for giving **RANDY** a Hash shirt so she wouldn't get a down down. **REVERSED**.

NAMING

- Tom* becomes **ENEMA** for the dilapidated condition of his principal means of propulsion
- Andrew* becomes **HOT LIPS** because Hash and Dash rhyme with MASH and an uncanny resemblance
- Charlie* becomes **GOLDEN RAIN** for the magical aura he projects as he strides along, framed against the Dili hills
- Gillian* becomes **CREAM BUNS** for the vision created in the imagination of those she leaves behind her as she runs
- Randall* becomes **DILDO** for the effect that his logistical talent has on his co-workers

POTW

Joint winners this week. **WHIP ME**, by popular acclaim after a nomination by **SKID MARK**, for being single in Dili so long that he was beginning to find the GM attractive, and **HOTLIPS** for pressuring **RANDY** thinking that his Hash name had already been decided and that she could tell him what it was. This was after last week's winner, **FLIRTATION**, had made three other very good nominations against **DRIBBLER, PHARTA, & HORNY**. See how popular the POTW is becoming now that it comes with free beer!

Never put off until tomorrow what you can avoid altogether.

A professor of mathematics sent a fax to his wife:

Dear Wife

You must realize that you are 54-years-old, and I have certain needs which you are no longer able to satisfy. I am otherwise happy with you as a wife, and I sincerely hope you will not be hurt or offended to

learn that by the time you receive this letter, I will be at the Grand Hotel with my 18-year-old teaching assistant. I'll be home before midnight.

Your husband

When he arrived at the hotel, there was a faxed letter waiting for him that read as follows:

Dear Husband

You, too, are 54-years-old and by the time

you receive this letter, I will be at the Breakwater Hotel with the 18-year-old pool boy. Being the brilliant mathematician that you are, you can easily appreciate the fact that 18 goes into 54 a lot more times than 54 goes into 18.

Don't wait up.

Your wife

TEAMWORK...means never having to take all the blame yourself.
