### RUN NO. 78B – TUPPA'S BAUCAU TOWN AND MARKET SCENIC TOUR

#### Mad Dogs and Englishmen

I suppose that makes most of us Mad Dogs but to most of the residents of Baucau we were Englishmen.

The Dili convoy arrived in Baucau before 12.00 noon so we were all ready and prepared to start on time but as usual the people with the least distance to travel get there last. **Halfsuck**, **Jellybean** and team arrived in Baucau Saturday at 1.00pm and yet were the last to arrive for the run. With 25 runners and walkers from Dili and 10 from Baucau we left the old Portuguese Market and headed off around the Cathedral with the walkers taking the high ground and the runners the low. Even though the Religious Adviser was not there the walkers followed his lead and on up past the Stations of the Cross they went to the magnificent view from the Tirilolo Cross. The runners having taken the lower shadier route then found themselves having to climb. Having reached the top of the climb one running was heard commenting how appropriate it was to have the Hospital just at the top of the climb.

At the first Hold Check **Haidrolik** led us in a new song. It must have been a new song because not many of the Hashers joined in. It was a shame to leave such a nice view but on down through the Old Town market we went. The walkers picked up their trail though the School and down the cool path beside the water channel. The runners eventually found their trail and took the longer route through the Bahu village area, past the old Portuguese Hospital (was used as the TNI military hospital until a couple of years ago) and on up again to another spectacular view of the Baucau area.

After absorbing as much of the view as possible (and water for some of us) the walkers had a pleasant stroll on home while the runners tried several times to experiment

on unmarked tracks. The heat must have been getting to them as they run past some very clear marks.

**Haidrolik** was checking out the last "check-it-out" when he found the road to the beach and forgot to come back. He said he was not called back but several hashers did whisper 'On Back'. The heat was getting to us. We all arrived back much wiser and better people as a result of the previous hour's experience.

Having regained enough energy we all then left the hustle bustle of central Baucau and adjourned to the Baucau Beach for a well-earned drink and food.

The best run ever ..... (in Baucau).

The Hares (**Tuppa** and **Beetroot**)

[Note: No report received for RUN NO. 78A – WEE WILLIE, SEXON & PRETENDER's POST NUPTIAL RUN IN BALI. Hopefully we'll get something for next week's Trash.

# CIRCLE CIRCUS

The Circle was convened at a perfect location at the unusually early hour of 2.00 pm by the Hare who was our host in Baucau (in the absence of our regular officials who were all in Bali).

The large number of Newbies (mostly from Baucau) waited in obvious trepidation, if not outright fear, for the start of the weekly ritual as the Hare/GM brought those gathered to a pin-dropping silence. Nevertheless each charge was greeted with great appreciation by the Newbies in particular

In fact, Newbie and Co-Hare **BEETROOT**, swept the down down honours and earned a Hash name at the same time.

However the new Baucau Hashers left the Charges from the Circle to their Dili guests, who obviously couldn't find much in each other's exploits to reward.

**HARDARSE** talked herself into the **POTW** and did a creditable job drinking it, giggling and giving herself a beer shampoo all at the same time.

Thanks Baucau, we'll do it again soon.

Co-Hares and Co-Hosts in Baucau

Deserved POTW winner

## DOWN DOWNS

- Hares** TUPPA, BEETROOT  
**Newbies** Chuck, Liz, Rodney, Don, John, Barry, Terry, Nharibut, BEETROOT, Dennis, (Hilton left early)  
**Sponsors** TUPPA, Lorri, Keith, Lesley, Tony  
**FRBs** Liz, Bill, HAIDROLIK, BEETROOT  
**Leaners** Nharibut  
**Leavers** Don, John, Terry

## CHARGES FROM THE CIRCLE

- TUPPA charged **Keith** for admitting he was training for Hash  
**HALF SUCK** charged **FINNEGAN** for disrupting the Circle  
**HARDARSE** charged **WATER RAT** for shortcutting  
**Tony** charged **Rodney** for coming from WA  
**HOOTERS** charged **BUSHWANKER** for getting lost  
**Alimova** charged **BEETROOT** for losing the walkers and leaning  
**BUSHWANKER** charged **HAIDROLIK** for not hearing his whispered On Back

**NEW NAME** **Beatriz** becomes **BEETROOT** for the translation of her name into Australian and the result of spending so much time on her knees in the Circle in the hot sun in her bikini

**POTW** **HARDARSE** talked her way into the award for whinging and naked running (I missed that!) despite a half-hearted attempt to glorify **RAMROD** for the exaggerated account some ignominious effort

*A pastor, a doctor and an engineer were waiting one morning for a particularly slow group of golfers.*

*The engineer fumed, "What's with these guys? We must have been waiting for 15 minutes!"*

*The doctor chimed in, "I don't know, but I've never seen such ineptitude!"*

*"The pastor said, "Hey, here comes the greens-keeper. Let's have a word with him."*

*"Hi John. Say, what's with that group ahead of us? They're rather slow, aren't they?"*

*The greens keeper replied, "Oh, yes, that's a group of blind firefighters. They lost their sight saving our clubhouse from a fire last year, so we always let them play for free anytime." The group was silent for a moment.*

*The pastor said, "That's so sad. I think I will say a special prayer for them tonight."*

*The doctor said, "Good idea. And I'm going to contact my ophthalmologist buddy and see if there's anything he can do for them."*

*The engineer said, "Why can't these guys play at night?"*

*Three engineering students were gathered together discussing the possible designers of the human body. One said, "It was a mechanical engineer. Just look at all the joints."*

*Another said, "No, it was an electrical engineer. The nervous system has many thousands of electrical connections."*

*The last said, "Actually it was an architect. Who else would run a toxic waste pipeline through a recreational area?"*

**Donkeys kill more people annually than plane crashes.**

*An architect, an artist and an engineer were discussing whether it was better to spend time with the wife or a mistress.*

*The architect said he enjoyed time with his wife, building a solid foundation for an enduring relationship.*

*The artist said he enjoyed time with his mistress, because of the passion and mystery he found there*

*The engineer said, "I like both. If you have a wife and a mistress, they will each assume you are spending time with the other woman, and you can go to the lab and get some work done."*

**Remember, half the people you know are below average.**
